

Hello,

Thank you for purchasing from Fever Dream Crochet and supporting my small business.

Please contact me if you have any questions or concerns through Etsy. You can find care instructions on the inside panel.

I hope fiber friend brings a little more joy into your life. Have a wonderful day!

Care Instructions

Although this creature has been sown up with care, please avoid pulling roughly on individual parts! If your creature gets dirty, I would recommend hand washing as opposed to putting it in the washing machine.

I am happy to answer an follow up questions relating care through Etsy.
